### FALL FESTIVAL

Our fall festival will be held this year on Saturday, October 24th from 2 to 7 pm. There will be lots of fun, food, and games. Please mark your calendars and make plans to attend.

Anyone who's interested in volunteering their time to help us work on this please sign up on the sheet that is posted in the vestibule. We would greatly appreciate the help of everyone.

We are in need of cakes and/or cupcakes for the cakewalk, candy, drinks, and monetary donations. Please help us out with these items.

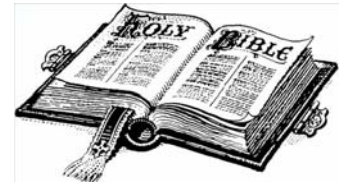

We look forward to seeing you all there.

May God Bless You,  
Fall Festival Committee

*Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not"*

### FROM THE EDITOR

Revival. What does it mean. The definition of the word is "bringing again into activity and prominence". So, when we have a church revival, we are promoting God's activity and prominence in our lives and our church family. Hopefully, we all already have Him in a place of prominence in our lives. But, if not, what a better time than church revival to put God back in his place, first.

So, as we go through our church revival services, remember to keep God in your heart, mind, body and soul. If we place Him first, even before ourselves, we will have truly had a church revival .

Your sister in CHRIST,  
Kristy Couch

**THE ANCHOR NEWSLETTER**
**PASTOR MARK'S ReMARKS**

Never give up praying for spiritual awakening. Jesus taught that we should always pray and not lose heart (Luke 18:1). Let's follow the example of others who prayed until revival came. In the spring of 1904 a young Welshman named Evan Roberts was repeatedly awakened to pray from 1:00 to 5:00 a.m. By November, a powerful spiritual awakening was spreading through Wales.

God worked through the testimony of a young new believer named Florrie Evans. When Pastor Joseph Evans asked for testimonies, Florrie arose and with a trembling voice said, "I love Jesus with all my heart." God used this to melt the hearts of many others.

In 1904 the Atlanta newspaper reported an amazing revival of prayer sweeping the city. On November 2nd the Supreme Court of Georgia closed so people could attend prayer meetings. Stores, factories, offices and even saloons followed suit. "For two hours at midday all Denver was held in a spell . . . The marts of trade were deserted between noon and two o'clock this afternoon," the Denver Post reported on January 20th, 1905. One Kentucky pastor died of overwork after receiving 1,000 new members in two months. Out of a population of 50,000 only fifty unconverted adults remained in Atlantic City, New Jersey!

In November of 1930 a woman announced, "A great revival is coming soon and it will begin in the North China Mission." She was convinced that the missionaries had fulfilled the conditions for revival found in 2 Chron. 7:14. In 1932, about forty Christians were meeting in a town in North China for prayer four times a day beginning at 5:00 a.m. Believers were convicted of sin. Two men repented of hating each other. Love was strong and deep. Joy abounded. When revival came more people were born again than in any previous year in North China. One missionary estimated that 3,000 people came to Christ in his town. Pastors, missionaries, and Bible women experienced a deeper Christian life than they had ever known before.

In 1936 revival fires broke out on the campus of Wheaton College west of Chicago. A senior named Don Hillis arose in chapel to voice a plea for revival. Students responded with an all-day prayer meeting on Saturday. Both faculty and students confessed sin and made things right with one another. The Wheaton campus was touched again in 1943 following a message on confession of sin during special services. The captain of the cross-country team arose to confess that he had violated college policy by leading his team in a Sunday race. Pride, criticism, and cheating were confessed by other students. Lunch and dinner slipped by unnoticed while the meeting continued into the evening service.

"Stop the bus!" a member of the Wheaton College Glee Club shouted. The Glee Club was touring in Florida in 1950. A revival that had broken out on the campus in Illinois had touched this student hundreds of miles away. He confessed he had broken the rules and other students began to turn to God. God's promise is still true. If we seek Him with all our heart, we shall surely find Him ready to pour the riches of His grace and love into the lives of His people (Jer 29:13).

On October 4-7, 2009, a revival meeting was held at Sabbath Home Baptist Church near Holden Beach, NC and.....

See You at Revival AND at Church!

## PRIME TIME NEWS

This adventuresome group took a trip to the Ingram Planetarium for their September outing. After a delicious lunch in Calabash, they boarded the church bus to the planetarium. Structured as a virtual tour, the group viewed the pyramids, the Parthenon in Greece, and the Colossus of Rhodes. Other sights included views of the space station and far away galaxies.

Stay tuned for news of the November adventure as well as the Christmas shopping trip.

All adults are invited to participate.

The group is growing in numbers and participation in providing monetary efforts this year to such projects as helping purchase water systems for countries in dire need. In addition, the group has decided to sponsor a Christmas Angel Tree for children in need. .

Thanks to Toy Johnson for providing the program for September as well as to Ina Lee Fulford and Toy for providing refreshments.

## YOUTH DEPT. NEWS

Please be in prayer for our youth department of all ages. We will soon be working on our Christmas play and it will be a lot of hard work. Please remember the children and adults who will be participating in this play. We will need all you young and older children to be here every Wednesday night that is to possible so that we may practice as much as we are able to. Parents, please encourage your child/children to practice his or her lines as much as they can. We do this for the Glory of the Word and we would all like everyone to do their very best for Him. We need to remember He is the reason for the season!

In His Service,

Mrs. Tina

## YOUR BROTHERHOOD IN ACTION

My, how time flies. It seems that I wrote August's article yesterday. Our main function upcoming is the fish fry on October 10, 2009. The event will be held from 2:00 pm until 5:00 pm. A special thanks to the brothers who have accepted jobs to make this church project possible. When the fish fry is complete, we will tackle our two outstanding projects.

Yours in Christian Love,  
Wayne Eidson

## GA NEWS

Our girls took a trip to visit some of our shut-ins from church last month and what a blessing that was for us. To see their smiling faces because we came to visit brightened everyone's day. We should all try to remember that they are not able to get out as much anymore, and just a phone call or a visit is such a blessing to them. Much thanks to everyone who helped out on this trip.

In His Service,

Mrs. Tina
